Northwest OB-GYN

Devoted solely to Women's Health Care.

Choosing a Hospital...

The doctors and nurse midwife at Northwest OB-GYN are staff members at Sacred Heart Medical Center. Dr. Partoll is on staff at both Sacred Heart and Deaconess.

Patient Education...

We feel it's important for our patients and their families to understand as much as possible about their care. Please feel free to first discuss your care with your provider. In addition, we have free pamphlets to take home. Please ask about available topics.

Confidentiality...

Your care is strictly confidential. No information may be released without your specific authorization. We care about your privacy. Our office is HIPAA compliant.

Your Health...

The doctors and nurses at Northwest OB-GYN are expert consultants in the health care process. In addition to providing medical care, we provide information and other assistance so we become partners in your health care.

You are the decision-maker!

About Our Staff...
